

Garden Park

Dear guest

We look forward to welcoming you to our hotel. Your well-being, the conscious use of our resources and the protection of our beautiful region are important to us. That is why we have been awarded the ibex fairstay seal of quality for our demonstrably sustainable management.

We voluntarily commit ourselves to sustainable management and have this regularly audited by an external, neutral body

Ibex Fairstay - the seal of quality for sustainability in the accommodation industry

With ibex fairstay, we set a visible and verifiable sign of our commitment to the careful use of resources, social balance, sustainable management and strengthening the region. Together we take responsibility by

- Favouring environmentally friendly and regional products
- Using energy and water sensibly
- Reducing CO2 emissions and, where not possible, partially offsetting them
- Using renewable energy (Cirgulago)
- Avoiding waste or disposing of it separately
- Train and motivate our employees and train apprentices
- Promote the regional economy
- Preserve natural diversity and cultural heritage
- Create offers for guests and the local population
- Measure the satisfaction of guests and employees
- Continuously improve the (environmental) quality of our operations
- Support guests in planning a sustainable holiday

Further information:

<https://www.gardenpark.ch/en/about-garden-park/sustainability>

We would be delighted if you, as a guest, would support our endeavours and actively contribute to ensuring that our children and grandchildren can also see and experience all this beauty.

You can do this in a simple way by

- Closing windows when the heating or air conditioning is switched on
- Switching off the light when you leave the room
- Not leaving the water running unnecessarily and pressing the toilet economy button
- Please report dripping taps or leaks
- Place towels on the shower floor or in the bathtub for changing
- Separate rubbish
- Only smoke where it is permitted
- Favour public transport and bicycles
- Protect flora and fauna during excursions
- Respect regional customs
- Favour regional, environmentally friendly and low-waste products.

Thank you for your co-operation. Your ideas and suggestions on how we can improve are very welcome.

Waste

Waste is avoided as far as possible and disposed of separately. Recyclable materials are returned to the material cycle. Waste separation is very important in our houses. New employees are trained so that mistakes in the form of indifferent behavior or ignorance are avoided from the outset. We separate batteries, glass, waste paper, cardboard, PET, aluminium, kitchen waste and special waste.

WiFi Internet in all buildings

Internet is free throughout the houses.
