Good to Know

COORDINATION

Every event is unique – and that should be reflected in every detail. That's why a personal conversation is so important to us. It helps us understand your wishes and ideas, so we can tailor the event precisely to your needs.

MENU SELECTION

We are happy to create a culinary offer that perfectly matches your occasion. In a personal discussion, we will go through your wishes and ideas – and our Head Chef will design a menu, buffet or apéro using fresh, seasonal ingredients.

BEVERAGES

Whether refreshing apéro drinks, a diverse wine selection, soft drinks or hot beverages like coffee and tea – we provide the full range of drinks for your event.

NUMBER OF GUESTS

The confirmed number of participants is binding. We require the final number at least one week before your event. Minor adjustments (up to 5% of the confirmed guests) are possible free of charge until two working days before the event.
